

## CREacting in EU

Project start and end date: 15/03 – 14/08/2019

Mobility start and end date: 23/05 – 30/05/2019

### Partners

SPAIN

PORTUGAL

CYPRUS:

Poland:

## Overall Evaluation - Assessment

Funded by the  
Erasmus+ Programme  
of the European Union

## Whether, and to what extent, the project reached its objectives and results?

This QUESTIONNAIRE OF MULTIPLE CHOICES AND COMMENTS on our mobility experience all of you participated in will provide us with valuable information on the mentioned above crucial question and will benefit the beneficiary organization "THE GOOD HOUSE" and future participants to the improvement of continued dealing with the programme ERASMUS+ and informal learning as well as it will contribute, in the long run, the youth organisations, the youth communities in which this kind of activities take place, the youth field itself and the European economic and societal sectors at large.

You are kindly requested to give us your tick ✓ taking into account the roles: Leaders and Participants

We are grateful for your co-operation

### Did the project produce the following outcomes?

#### Shortly, did the young participants:

- improve their employability and the sense of taking initiatives in the labour market? **Perfectly-Fully** ,Fairly ,To a low extent, **Not at all**
- enhance their intercultural consciousness ? **Perfectly-Fully** ,Fairly, **To a low extent** ,Not at all
- increase their awareness of the European project and the EU values? **Perfectly-Fully** ,Fairly ,To a low extent ,Not at all
- increase their motivation for taking part in future relevant mobility projects? **Perfectly-Fully** ,Fairly ,To a low extent ,Not at all

## Did the project produce the following outcomes?

### Analytically

#### Participants

Improvement of the knowledge and professional performance for better access in labour market and career prospects as well as for the development of entrepreneurship within the audiovisual sector and artistry

Perfectly-Fully , Fairly ,To a low extent ,Not at all

Awareness of the power of the Media and the Arts, as tools to transmit considerations, concerns, needs and related thoughts, messages and proposals to address great challenges such as youth unemployment, lack of involvement in society, in intercultural dialogue, social inclusion and solidarity activities and democratic deficit

Perfectly-Fully , Fairly ,To a low extent ,Not at all

## Project activities organised - Methods used

Perfectly-Fully , Fairly , To a low extent , Not at all

Multifaceted, interdisciplinary, experiential, interactive, multilingual, exploratory, artistic, recreational and teambuilding labs and events

Lectures

Debates

Discussion groups

Ideas sharing - no passive listening

Influence over project decisions, not simply involvement

Contribution to the activities with participants own knowledge and skills

Undertaking individuals own analyses

Reflections on competences acquired during the activity

Screenings

Play-roles

Social experiments

Do It Yourself products

Body theatre-body music

Educational walks

Outdoor activities, visits

Communication

Coordination

Self-empowerment and self-esteem

Imagination

Creativity

Interactivity

Expression of feelings and emotions

Improvement of learning performance

Awareness of socially relevant topics/thematic areas

Discovering of new cultures, habits and life-styles, mainly through peer-learning

Considerations on European topics and on the value to involve in the construction of Europe

Identification of common values with persons from different countries in spite of their cultural differences

Strengthening of the values like solidarity, democracy, friendship, etc  
Respect of cultural diversity and fight against racism or xenophobia  
Discussion and learning about inclusion and diversity issues, inequality and discriminations  
Appropriate participation of young people with fewer opportunities

Other

**Please give us your positive and negative comments about the quality of the Exchange to organize the mentioned above activities and use the mentioned above working methodology**

.....

.....

.....

#### Participating organisations

**Perfectly-Fully , Fairly , To a low extent , Not at all**

Increase of capacity to operate at EU/international level  
Improvement of the management skills and internationalisation strategies  
Reinforcement of the cooperation with partners from other countries  
Increase of the allocation of financial resources (other than EU funds) to organise EU/international projects  
Increase of the quality in the preparation, implementation, monitoring and follow up of EU/international projects

Innovative and improved way of operating towards the target groups (students, trainees, apprentices, young people and volunteers) by providing them more attractive programmes for in line with their needs and expectations  
Improvement of the qualifications of teaching and training staff  
Improvement of the processes of recognition and validation of competences gained during learning periods abroad  
More effective activities for the benefit of local communities  
Improvement of the youth work methods and practices to actively involve young people and/or to address disadvantaged groups

More modern, dynamic, committed and professional environment inside the organisation, ready to integrate good practices and new methods into daily activities, open to synergies with organisations active in different social, educational and employment fields, planning strategically the professional development of their staff in relation to individual needs and organisational objectives

Other

Please give us your positive and negative comments about the quality of the Exchange to contribute in the production of the mentioned above expected outcomes

.....

.....

.....

Facilitators, staff, experts, professors, teachers, trainers, youth workers, and people working in organisations active in the education, training and youth fields such as youth leaders, youth trainers, volunteers, etc

Perfectly-Fully , Fairly , To a low extent , Not at all

Support learners in the acquisition of learning outcomes (knowledge, skills and competences) with a view to improving their personal development, their involvement as considerate and active citizens in society and their employability in the European labour market and beyond

Support the professional development of those who work in education, training and youth with a view to innovating and improving the quality of teaching, training and youth work across Europe

Enhancement notably of the participants' foreign languages competence

Raise participants' awareness and understanding of other cultures and countries, offering them the opportunity to build networks of international contacts, to actively participate in society and develop a sense of European citizenship and the identity as considerate and active citizen in society

Increase of the capacities, attractiveness and international dimension of organisations active in the education, training and youth fields so that they are able to offer activities and programmes that better respond to the needs of individuals, within and outside Europe

Reinforcement of the synergies and transitions between formal, non-formal education, vocational training, employment and entrepreneurship

Ensurance of a better recognition of competences gained through the learning periods abroad

Other

Please give us your positive and negative comments about the quality of the Exchange to contribute in the production of the mentioned above expected outcomes
